**ABOUT THE ARIA CHART:** The ARIA Charts are the official record of the hottest singles and albums in Australia. The ARIA charts are based on data collected from a combination of physical and digital retailers, and music-streaming services. We are the only aggregator representative of the wide spectrum of music consumption in Australia and a trusted weekly barometer of what's popular in music right now. For over 30 years, the Australian music-loving public has turned to the ARIA Charts every week to find out what music fans across the country are listening to and loving. We've seen Australian artists dethrone international superstars from the number one spot, unknowns emerge to become worldwide hit makers, and records set that may never be broken. The weekly ARIA Charts are released on Apple Music and Spotify each week on Saturdays at 5pm AEST time.
