A fan favourite since album release, '**Kiwi**' is the next official single from **Harry Styles** debut album, and is at radio today, **Thursday, 9th November**.

The album made history in the U.S. with the biggest debut sales week for a U.K. male artist's first full-length album since Nielsen Music began tracking sales in 1991, topping official charts at #1 in more than 55 countries. Following the album's release, **Styles** made his acting debut in Christopher Nolan's critically acclaimed film "**Dunkirk**" in July 2017. "**Dunkirk**" topped the US box office in its first weekend and was one of the top grossing films of the summer, rounding off an incredible year for **Styles** as the first British artist with a #1 debut song, album and film in the same year. **Styles** is currently on his sold-out Fall 2017 world tour, **Harry Styles Live On Tour**, which kicked off with intimate venues and will expand to arenas in 2018.

After announcing an extensive world tour in support of his debut album, the **ARIA Awards** with **Apple Music** are thrilled to welcome **Styles** back to the coveted ARIA stage whilst in Australia for sold out shows on his record-breaking world tour.

**Dan Rosen, ARIA Chief Executive Officer** says, "*We are thrilled to welcome the phenomenal Harry Styles back to Sydney to join us at the ARIAs. He is one of the world's most successful and in-demand solo artists and has a special relationship with his Australian fans. We cannot wait to have him rock the ARIA stage.*"

**Harry Styles: Behind The Album** was also premiered on **Apple Music** on **May 15th**. **Harry Styles: Behind The Album**, a new film from production company Fulwell 73, chronicles **Styles'** musical journey while creating his much anticipated debut solo album. The film features exclusive interviews and behind the scenes footage shot in Jamaica, Los Angeles and London during the making of the album and is complemented by **Styles** and his band performing songs from it for the first time at the world famous Abbey Road Studios in London.
