Important Notice: Product classified/reclassified under the ARIA/AMRA Recorded Music Labelling Code of Practice since April 1, 2003. ARIA relies on its members to provide accurate and current classification activity reporting, and then compiles that Classification Information into the tables above. The Classification Information is made available to the public for general information purposes only and ARIA does not give any representation or warranty in relation to the reliability, accuracy, timeliness or completeness of the Classified Information. If you want/need to confirm that any particular classification listed here is accurate you should contact the relevant record label directly. This Classification Information is updated on a monthly basis.
