Week Commencing ~ 4 January 2010 ~ Issue #1036

SINGLES. After weeks at the top, *Tik Tok*'s reign is over. Taking Ke\$ha's place is American synth-pop outfit Owl City and their track *Fireflies*. The song has been sitting in the chart for nine previous weeks and has slowly but surely moved its way up. After debuting last week at 15, *Iyaz's Replay* has now moved into number ten. Big jumps also come from P!nk's *Funhouse* (from 60 to 39), Green Day's *21 Guns* (from 89 to 55) and Linkin Park's *New Divide* (from 65 to 41). Guy Sebastian now has two songs in the top 20. *Art Of Love* (Feat. Jordin Sparks) is sitting at nine, while *Like It Like That* has moved back into the top 20 to 19.

No.43 DO YOU REMEMBER? – Jay Sean. *Do You Remember?* is the second single by British R&B singer Jay Sean to feature on the chart. There are two versions of the track. Both feature a guest appearance by Jamaican dancehall artist Sean Paul and one includes a guest turn by American crunk master Lil Jon. This single follows on from *Down* (No.2 Nov. '09) and is included on the album *All Or Nothing*. The collaboration came about after Sean Paul saw Jay Sean performing at an awards ceremony

No.90 LOVE IS WAR – Rogue Traders. This new single by Melbourne's Rogue Traders marks the debut of new vocalist Mindi Jackson. Jackson, who replaces Natalie Bassingthwaighte, was discovered on MySpace by the band's leader, James Ash. The single comes from the forthcoming fourth album by the Rogue Traders. It has the working title of *Rogue 4* and will see the light of day sometime in 2010. The digital version of this single was released on Christmas Day.

ALBUMS. For the sixth week in a row, Susan Boyle is number one and Michael Buble is number two. The respective artists have been the hot sellers in the lead up to Christmas and have maintained their presence in the busy post-Christmas week. A lot of bullet performers in the chart this week. Both *Glee* soundtracks have jumped back into the top ten while Mumford & Sons, Empire Of The Sun, Them Crooked Vultures, Sarah Blasko and Rihanna have all moved back into the top 20. Biggest move of the week comes from New York three-piece the Yeah Yeah Yeahs and their third album, *It's Blitz!* The band, who are currently in the country, have re-entered the chart at 35 this week.

No.61 OCEAN EYES – Owl City. The third album by American synth-pop act Owl City is their first to enter the ARIA chart. Owl City is the project of Adam Young. Young began making music as a means of battling insomnia. He is backed up by a number of musicians when performing live. The album has already made the top ten on the Billboard 200, as well as reaching number one on several other Billboard charts. The album's first single, *Fireflies*, has reached number one on the ARIA Singles Chart this week. Owl City head to Australia for a run of show in march.

No.86 ALVIN AND THE CHIPMUNKS: THE SQUEAKQUEL - Soundtrack. If you ever wanted to know what tracks like *Hot N Cold*, *So What*, *Single Ladies (Put A Ring On It)*, *Stayin' Alive* and *I Want To Know What Love Is* would sound like if they were sped-up and given the Chipmunk treatment, this is your album. The soundtrack to the new feature film from the high-pitch pint-sized stars features covers of all of these tunes and many others. The soundtrack to their first movie peaked at number 70 in January of 2008.

No.88 MONSTER – Lady Gaga. We've had *The Fame* (No.3 Dec. '09) and *The Fame Monster* (No.3 Jan. '10) and now Lady Gaga gives us *Monster*. This is the standalone release of the disc that was previously released in a package with *The Fame*. *Monster* features eight new tracks including *Bad Romance* (No.2 Dec. '09), *Telephone* (Feat. Beyonce) (No.22 Jan. '10) and *Monster* (No.80 Nov. '09).

#1 Single this week
